Heineken Prizes 2014: call for nominations

News Date: 4 Oct 2013

These international prizes, worth USD 200,000 each, reward outstanding scientific achievement in the fields of:

- * Biochemistry and Biophysics
- * Medicine
- * Environmental Sciences
- * History
- * Cognitive Science

These biennial prizes are offered by the Dr H.P. Heineken Foundation and the Alfred Heineken Fondsen Foundation. The selection of the prizes is entrusted by the Royal Netherlands Academy of Arts and Sciences (KNAW).

Follow the link for the digital version of the nomination form and background information on the Heineken Prizes on the KNAW website: www.knaw.nl/heinekenprizes.
