19-22 October 2017

The International Conference of NCEIEA

Welcome

The N panel of Soil Science Society of China (SSSC) and the East Asia Center of International Nitrogen Initiative (INI) are pleased to announce the International Conference of Nitrogen Cycling and Its Environmental Impacts in East Asia (NCEIEA) will be held from 19-22 October 2017 in Nanjing, China.

The International Conference of NCEIEA focuses on the theme, as its name showing, **Nitrogen Cycling and Its Environmental Impacts**, and offers exceptionally exciting topics ranging from the soil/aquatic N transformations to the regional N assessment in East Asia region.

Currently, abstract submissions for oral or poster presentations are kindly welcomed. The deadline for abstract submission is August 31, 2017. Please click [here](#) to submit your abstract.

We are looking forward to seeing you in Nanjing in October 2017.

Zhaoliang ZHU

Professor and Chair
