## New Feature: [MRD's Article Mapper, based on Google Map](#)

The Article Mapper permits a global overview of MRD research papers, along with information on the location, scale, and subjects of all research articles published from 1991 to 2008. It is now possible to see the topics and mountain locations that have been covered to date in MRD, and spot where research gaps exist and could usefully be covered by future papers.

## Upcoming Themes

Vol 29 No 4: Forest Cover, Services and Use in Mountains Worldwide (issue full)

Coming up in 2010: Biodiversity in Mountains

## [Books out for review](#)

***Mountain Research and Development*** fosters sustainable development in mountains by supporting peer-reviewed interdisciplinary, disciplinary, and transdisciplinary research on mountains, developing scientific capacity, capitalizing on development experiences, promoting policy dialogue, and strengthening networks within the mountain community.

*Mountain Research and Development* is published by the [International Mountain Society \(IMS\)](#). MRD has received core funding from the [Swiss Agency for Development and Cooperation \(SDC\)](#) and additional funding from the [International Centre for Integrated Mountain Development \(ICIMOD\)](#) and the [Centre for Development and Environment \(CDE\)](#). Institutional members of the IMS make a substantial financial contribution. Friends of MRD also support the journal.

*Mountain Research and Development* is available online and open access in collaboration with [www.bioone.org](http://www.bioone.org), and is indexed in the Science Citation Index, Journal Citation Reports®, Current Contents/Agriculture, Biology and Environmental Sciences, Geo Abstracts, C.A.B. International Series Checklist, AGRICOLA databases, Meteorological and Geostrophical Abstracts (MGA), CABS (Current Awareness in Biological Sciences), and others.
