PRAGUE 2014

Welcome

Dear Colleagues,

It is a pleasure to invite you to ECTS 2014, to be held in Prague, the Czech Republic, from 17-20 May 2014.

The 2014 congress will offer a high quality and diverse scientific programme of interest to both clinical and pre-clinical scientists. With up to 2,500 clinicians and researchers expected to join us from around the world we have composed a scientific programme of the highest standard.

Highlights will include the following:

- An exciting programme of invited speaker lectures featuring some of the world's leading experts in the field
- Meet the professor sessions
- Dedicated events for new investigators
- Joint ECTS/ASBMR debate and lecture
- Special day-long clinical session highlighting advances in the management of patients with bone-related disorders
- Well-attended poster sessions with dedicated poster viewing time
- A busy exhibition area with lunch included in the delegate fee
- Company-supported satellite symposia highlighting some of the latest developments and research

We look forward to welcoming you to the beautiful city of Prague in 2014!
