## Sarah Penniston-Dorland

Ph.D. Johns Hopkins University, 2005

Title	Associate Professor Director of Graduate Studies
Office	CHEM 0229
Phone	(301) 405-6239
Fax	(301) 405-3597
Email	<a href="mailto:sarahpd@umd.edu">sarahpd@umd.edu</a>
Research Lab	

### Research Interests

I am interested in learning about fluid flow in Earth's crust through the study of the record fluids leave behind in metamorphic and igneous rocks. I collect field data along with mineralogical, chemical, isotopic and textural data, and apply the concepts of equilibrium thermodynamics and mass transport.
