... 1. 2. 3. ...

The image contains a dense grid of mathematical formulas and code snippets. The formulas are complex, involving trigonometric functions like sine and cosine, and algebraic expressions. The code snippets appear to be CSS or HTML-related, with tags like $...$, <code>...</code>, and <img alt=...

... (The page contains dense, repetitive text, likely a scan of a document or a large table with many columns and rows of data. The text is mostly illegible due to the low resolution and density of the characters.) ...

Complex mathematical code with various symbols like pi, sin, cos, exp, and mathematical operators. The code is highly structured and repetitive, likely representing a mathematical derivation or a complex algorithm. It includes many lines of text with mathematical expressions and symbols.
