

IAS Newsletter now publicly available: download the current one or check out the archive.

Journals

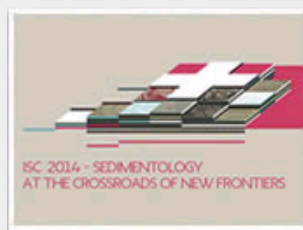

Journals published on behalf of the IAS (or in close association with).

Extra Publications

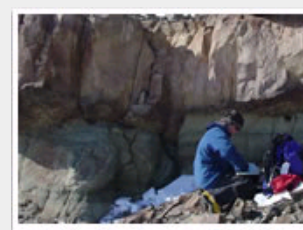

Sedimentology related articles published on behalf of the IAS.

IAS Meetings

Yearly international meetings organized by or in cooperation with the IAS.

Grants

Meeting travel grants and Postgraduate Grant Scheme for PhD students.

Lecture Tour 2014-2015

IAS is proud to announce that long-time IAS-member and co-organizer of the successful IAS Summer Schools Helmut Weissert has agreed to conduct the IAS Lecture Tour in 2014-2015 with a lecture on "Pelagic sediments - archives for ocean and climate history".

Summer School

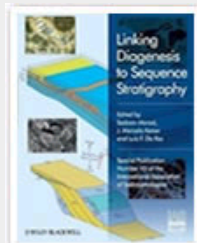

IAS Summer School provides post-graduate students an opportunity to interact with invited lecturers who focus on new and exciting topics in sedimentology presented as a series of lectures combined with field observations.

Sedimentology - Volume 60 (2013)

Edited by Stephen Rice and Tracy Frank

The international leader in its field, Sedimentology publishes ground-breaking research from across the spectrum of sedimentology, sedimentary geology and sedimentary geochemistry.

Linking Diagenesis to Sequence Stratigraphy (SP45)

Edited by Sadoon Morad, Marcelo Ketzer, Luis F. de Ros
