

The Third International Workshop on Earth Observation and Remote Sensing Applications

(EORSA 2014)

Call for Papers

Location: Changsha, China

Dates: June 11-14, 2014

Themes:

Overall theme – Global Change and Sustainable Development: A Remote Sensing Perspective

- Remote sensing of forests and ecosystems;
 - Land use and land cover change;
- Urban remote sensing and sustainable development;
 - Remote sensing of coastal areas and wetlands;
 - Remote sensing of air and water quality;
- Technologies and methods for monitoring subsidence of earth surface;
- New data and sensors, algorithms and techniques for detection, interpretation, characterization, and modeling of the Earth surface features.

Timetable:

- First Call for Papers – September 20, 2013
 - Second CFP – November 15, 2013
 - Final CFP – December 15, 2013
- Abstract submission due – January 20, 2014

 - Pre-conference workshops - June 11, 2014
 - Conference: June 12-14, 2014

Conference Chairs:

- Honorary Chair: Prof. Guanhua Xu, Ministry of Science and Technology, China
 - Honorary Chair: Prof. Qingxi Tong, Peking University, China
 - Honorary Chair: Prof. Deren Li, Wuhan University, China
 - Honorary Chair: Prof. Yaqiu Jin, Fudan University, China
- Chair: Prof. Siqi Zeng, Central South University of Forestry and Technology
 - Co-Chair: Prof. Jianjun Zhu, Central South University

- Co-Chair, Chuanqu Zhu, Hunan University of Science and Technology

Program Committee Chair and Co-Chairs:

- Qihao Weng, Indiana State University, USA (Chair)
 - Paolo Gamba, University of Pavia, Italy
- George Xian, United States Geological Survey, USA
 - Dale A. Quattrochi, NASA, USA
- Thomas Esch, German Remote Sensing Data Center, Germany
 - Peijun Du, Nanjing University, China
 - Peijun Li, Peking University, China
 - Bing Zhang, Chinese Academy of Sciences
 - Bing Xu, Beijing Normal University
- Guangxing Wang, Central South University of Forestry and Technology and Southern Illinois University - Carbondale, USA
 - Zhiwei Li, Central South University
