## Welcome to the 33rd International Conference on the Society for Environmental Geochemistry and Health (SEGH 2017) !

This conference is organized by the *Institute of Environmental Health and Pollution Control, School of Environmental Science and Engineering, Guangdong University of Technology* and *Guangzhou Institute of Geochemistry, Chinese Academy of Sciences*. This annual conference provides a forum for the international scientists, consultants, regulatory authorities and other practitioners with an interest in the links between environmental health and working in the broad area of environmental geochemistry.
