

The image shows a single page from a musical score. It features ten staves of music, each with a different clef (such as soprano, alto, tenor, bass, and others) and a variety of note heads (circles, squares, triangles). The music is set against a background of horizontal dashed lines representing measures. Numerous musical symbols like dots, dashes, and vertical bars are scattered throughout the staff lines. Some staves begin with a sharp or flat sign. The lyrics, written in Chinese characters, are placed below the staves. There are also several large, bold characters and numbers interspersed among the musical notation.
