《中国海洋药物》杂志简介

《中国海洋药物》杂志创刊于1982年,是由中国科协主管、中国药学会主办、中国海洋大学编辑出版,国内外公开发行的全国性科技核心期刊。

自创刊以来,本刊始终坚持办刊宗旨,致力于海洋药物的研究和开发,系统地报道有关海洋药物及相关学科的研究成果和国内外最新动态,积极推动海洋药理学事业与其他学科的交流和发展。

《中国海洋药物》杂志作为国内唯一具有海洋特色的药学核心期刊,一直是中国科技核心期刊、中文核心期刊和中国科学引文数据库(CSCD)的来源期刊,并被美国《化学文摘》(CA)、联合国《水科学和渔业文摘》(ASFA)和WHO西太平洋地区医学索引(WPRIM)等国际检索机构收录。近年来,本期刊影响因子在全国药学期刊中一直名列前茅。

21世纪是海洋世纪,开发海洋、利用海洋已成为全球性的共识和行动。本刊设有研究报告、研究简报、综述、消息动态等栏目,内容包括海洋药物科学研究的新成果、新技术、新方法和新资讯。可为从事海洋医药、卫生、化工、水产、食品等领域的专业技术人员提供帮助和参考,欢迎来自世界各地的海洋药物各方面的最新原创研究稿件。

BRIEF INTRODUCTION OF CHINESE JOURNAL OF MARINE DRUGS

Initially published in 1982, authorized by Chinese Association for Science and Technology, sponsored by Chinese Pharmaceutical Association, edited and published by Ocean University of China, Chinese Journal of Marine Drugs (CJMD) is the national journal issued domestic and overseas, aiming at R & D of marine drugs, providing the latest achievements related to marine drugs and relevant subjects, as well as promoting the communication and development of marine pharmaceutical.

As the only marine pharmaceutical journal in China, CJMD has always been cited by Source Journal for Chinese Scientific and Technical Paper, Journal of China and Chinese Science Citation Database (CSCD), and was included in Chemical Abstracts of American (CA), Aquatic Sciences and Fisheries Abstracts (ASFA) of the United Nation, The Western Pacific Region Index Medicus (WPRIM) of WHO and other world-class indexing systems. In recent years, the journal's impact among all the journals has always been in the top rank.

The 21st century is the century of ocean, thus it has become a global action and common understanding to develop and exploit the oceans. The contents of CJMD cover information about new achievements, new techniques, new methods and new information of scientific researches on marine drugs. It provides great help and reference for experts and technicians in the fields of medical and public health, chemistry, marine, fishery, food, etc. The CJMD welcomes the latest original research manuscripts on all aspects of marine drugs from any part of the world.
