What's New

2017/11/11

Proceedings of ICBAKE2017 is included in IEEE Xplore!

2017/9/16 12:00

[Related to Typhoon situation] We will have sessions, speech, and events on the schedule in 16th and 17th. Please be careful about a heavy rain and a strong wind by the typhoon.

Conference Information

[2017 International Conference on Biometrics and Kansei Engineering](#)

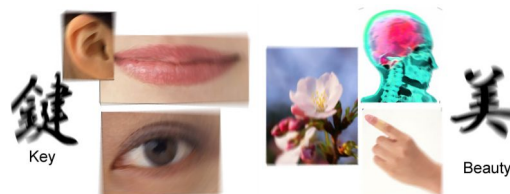

Conference Date: September 15-17th, 2017.

Venue: Kyoto Sangyo University, Kyoto, Japan.

[Call for Paper](#)

Purpose of Conference

This 5th edition of the conference aims to bring many important research streams together: Biometrics and Kansei Engineering. Image Analysis and Biometrics applications in both behavioral and physiological categories comprise researches in Information Processing Systems and Human Biology, Behavior and people Emotion Measuring Techniques for Identification and Recognition of either their personality or emotional state. Therefore, researchers are encouraged to submit their contributions in both theoretical and practical aspects of the Topics.

Technical Co-Sponsorship

- IEEE SPS Kansai Chapter

Financial Sponsorship

- Kyoto Sangyo University

Supporters

- Japan Society of Kansei Engineering (JSKE)
 - Life Oriented Software Group, JSKE
 - IEICE Technical Committee on Biometrics (BioX) Japan
 - Kansei Independent Researchers Group, JSKE
 - IEEE SMC Japan Chapter

Post Conference Publication

Selected papers are published in Special Issue of International Journal of Affective Engineering (IJAE), an international journal of JSKE. We have one more Special Issue in International Journal of Biometrics (IJBM). Details of the Special Issue will be announced on this web site.

Contact**All correspondence related to the conference should be address to:**

Makoto Fukumoto, Fukuoka Institute of Technology

E-mail: fukumoto__at__fit.ac.jp

Registration Fee

Regular participants: 40,000 Japanese Yen

Students: 30,000 Japanese Yen

On site registration will be higher 5,000 Japanese Yen from these fees. Details of the registration will be explained on Registration page which will be open in late June.
