## RSC-NOST Symposium on Organic & Biomolecular Chemistry

3 October 2017 12:00 - 6 October 2017 13:00, Leeds, United Kingdom 

[BOOK NOW >](#)

### Introduction

Co-organised by the Royal Society of Chemistry and the National Organic Symposium Trust (NOST), this conference features some of the leading organic chemistry researchers from Europe and India.

NOST's highly-regarded Organic Chemistry Conference has been held regularly in venues around India since 1988, providing a great forum for international researchers to build strong collaborations with leading organic chemists in India. The Royal Society of Chemistry has a strong and long-standing relationship with NOST, and we now bring this successful meeting format to the UK for the first time.

Themes include:

- Synthetic methodology
- Total synthesis
- Bioorganic chemistry
- Physical organic chemistry
