Thank you for your attendance!

I hope everyone returned home safe and sound.

On behalf of the Organizing Committee, I would like to express my gratitude for your dedicated participation on the 18th International Symposium on the Biology of Actinomycetes (ISBA18) which was held in Jeju, Korea, 23 to 27 May 2017.

It is fair to conclude that this conference was a great success, attracting 582 delegates, speakers and sponsors from over 30 countries around the world. So many people have contributed in so many ways to turn this symposium into a fantastic feast filled with brilliant talks, interesting posters, heated discussions, and most importantly warm friendship. Your contribution made all this possible.

Please visit the photo gallery on following links, and enjoy and share the memories in Jeju! Also, you can add your own photos to share.
