August 6-9 2018  
The Seventh International Conference on Agro-Geoinformatics  
Hangzhou, China

The Seventh International Conference on Agro-Geoinformatics (Agro-Geoinformatics 2018) will be held in Hangzhou, China on August 6-9, 2018. This conference is organized and hosted by Center for Spatial Information Science and Systems, George Mason University and Zhejiang University.

UPCOMING IMPORTANT  
DATES

March 15, 2018 Invited-session submission deadline

March 31, 2018 Abstract submission deadline

April 15, 2018 Extended abstract submission deadline

April 30, 2018 Notification-of abstract acceptance

June 1, 2018 Early Registration Deadline

June 25, 2018 Author Registration Deadline

Agro-geoinformation is critical for the agricultural sustainability, food security, environmental research, bioenergy, natural resource conservation, land use management, carbon accounting, global climate change, health research, agricultural industry, commodity trading, economy research, education, agricultural decision making and policy formulation, etc. The Agro-Geoinformatics conferences were successfully held in Shanghai, China (Agro-Geoinformatics 2012), Washington DC, USA (Agro-Geoinformatics 2013), Beijing, China (Agro-Geoinformatics 2014), Istanbul Turkey (Agro-Geoinformatics 2015), Tianjin, China (Agro-Geoinformatics 2016) and Washington DC, USA (Agro-Geoinformatics 2017). The Agro-Geoinformatics conferences have provided and will continue to provide an ideal venue for professionals and students to exchange their ideas, research results, professional experiences, the latest developments and future vision of agro-geoinformatics. The Agro-Geoinformatics 2018 conference will continue covering the recent advances in the life cycle of Agro-geoinformatics, from data collection (including field surveys and remote sensing), processing, storing, archiving, preservation, retrieving, transmitting, accessing, visualization, analyzing, synthesizing, presenting, disseminating to decision making.

June 30, 2018	Full paper submission deadline
August 06-09, 2018	Agro-Geoinformatics 2018
August 12, 2018	Copyright submission deadline

**Selected paper will be published in Agro-**

**Geoinformatics special issue at “Remote Sensing”, a SCI-indexed journal.**

More information will be coming soon! Please visit this page again.
