## About ICCEMS

2019 the 4th International Conference on Civil Engineering and Materials Science (ICCEMS 2019) will be held in Bangkok, Thailand during May 17-19, 2019, **sponsored by Thammasat University, Thailand.**

ICCEMS 2019 will bring together the top researchers from Asian Pacific nations, North America, Europe and around the world to exchange their research results and address open issues in biomaterials, biomedical manufacturing, casting and solidification, characterisation, coatings and surface engineering, composite materials, etc. It is one of the leading international conferences for presenting novel and fundamental advances in the fields of civil engineering and materials science.

## Publication & Indexing

All submissions will be peer reviewed by 2-3 reviewers. All the registered and presented papers will be published into the volume of **MATEC** Web of Conferences and submitted for **Ei Compendex and Scopus**, like the last years. Welcome you to submit the paper or abstract by [Electronic Submission System](#).
