Dear Colleague:

It is our great pleasure to announce that "The 6th International Workshop on ZnO and Related Materials" (6th ZnO Workshop) will be held by The Key Laboratory of Excited State Processes, Changchun Institute of Optics, Fine Mechanics and Physics, Chinese Academy of Sciences, on Aug. 5 - 7, 2010 in Changchun, China.

The 6th ZnO workshop will highlight the latest advances in all major disciplines of ZnO and related materials. This workshop will bring together the renowned ZnO researchers from all over the world, as well as the companies working on ZnO related products, from materials to deposition systems and characterization facilities. All the presented papers at the Workshop, oral or poster presentations, will be considered for publication in a SCI journal. An opportunity to explore the historic and natural scenes of Changchun will also be provided during and after the workshop, an excursion in Changchun city will be organized and a journey to Changbai Mountain will also be scheduled.

Please send your abstracts to [zno@ciomp.ac.cn](mailto:zno@ciomp.ac.cn). The deadline for the abstract submission is April 30, 2010. Please also indicate in the email whether an oral or poster presentation is preferred in your submission. Note that the Program Committee will rank the abstracts and only the highly ranked papers will be selected as oral presentations, therefore, please try to submit a more detailed abstract so that it can be assessed well and truly.

The regular registration fee is 2000 CNY or 320 USD per person. Students with valid certificate or ID will receive 50% discount. Note that the banquet fee is included in the registration fee. Please pay the fee via cash in the registration venue.

We, the organizers of this workshop, will try our best to make this workshop an enjoyable and memorable one. For general queries, please email us at [zno@ciomp.ac.cn](mailto:zno@ciomp.ac.cn), and for more details about the workshop, please visit our website: <http://english.ciomp.cas.cn/zno>.

Welcome to Changchun, China!

Sincerely yours

De-Zhen Shen and Xiaoqing Pan  
Co-chairs of the 6th International Workshop  
on Zinc Oxide and Related Materials
