Join the largest gathering of oil & gas industry experts, hardware and services in Kuwait at the **KOGS 2017** exhibition and conference.

SUPPORTED BY

Conference

Exhibition

Plan your stay

The conference is organised by the SPE, one of the largest individual member organisations serving oil & gas professionals worldwide, and features 150+ technical presentations.

200+ leading international companies will be showcasing new products, equipment and services to more than 5,000 target professionals at the KOGS 2017 exhibition.

Plan your visit to Kuwait in advance and book with one of our preferred hotels.
