ICFST 2017 | April 14-16, 2017 | Shenzhen, China

About ICFST | 第二届传感器技术前沿国际会议

2017 2nd International Conference on Frontiers of Sensors Technologies (ICFST 2017) will take place on **April 14-16, 2017** in **Shenzhen, China**. It is sponsored by IEEE, and hosted by Shenzhen University, China. The aim of ICFST 2017 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Frontiers of Sensors Technologies. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

ICFST 2017 will feature invited keynote speeches as well as peer-reviewed paper presentations. The conference is completely open (one needs to register first...), you will not have to be an author or a discussant to attend. Submissions will be peer-reviewed and evaluated based on originality, relevance to conference, contributions, and presentation.

Conference Proceedings | 出版信息

Papers submitted will be peer-reviewed and the accepted papers will be collected in the Conference Proceedings, which is published by IEEE. The proceedings will be submitted and reviewed by the **IEEE Xplore**, **Ei Compindex**, and **Scopus** after the conference.

本次会议将采取同行评议的审稿方式, 收录的文章将由IEEE出版到会议论文集, 并被IEEE Xplore, Ei, Scopus等数据库检索。
