

贺晓霞个人简介

* * * * *

导航工程中心助理研究员，出生于1977年12月16日，籍贯为内蒙古自治区

主要研究领域

仪器科学与技术
精密仪器与测试
导航与控制

联系方式

北京清华大学精密仪器系，100084
电话：+86-010-62792116 (0)
+86-13681084323 (M)
Email：hexiaoxia@tsinghua.org.cn

工作经历

* * * * *

教育

学 位	获得年月	攻读学位单位
学士	1999. 7	清华大学
硕士	2004. 1	清华大学
博士	2004. 1	清华大学

主要科研工作

1999年~2000年在清华大学导航中心从事温度对微硅加速度计的影响的研究。

2000年~2003年在清华大学导航中心参加十五重点攻关项目，负责高精密球形转子的质量平衡技术的研究工作

2004年~2005年在清华大学精仪系作博士后，主要从事某系统的结构总体设计。

Family Name: He

Given Name: Xiao-Xia

Gender: Female

Citizenship: People's Republic of China

Birth Data and Place: Dec, 16, 1977, Inner Mongolia Autonomy, China

Job Title: Research Assistant Professor

Research Interests

Instrument Science and Technology

Precision Instrument and measurement

Navigation and Control

Contact

Department of Precision Instruments and Mechnology, Tsinghua University,

Beijing 100084, China

Working experience

* * * * *

Education

Dr. Degree, Instrument Science and Technology,—Tsinghua University, Beijing(2004.1)

M. S. Degree, Instrument Science and Technology,—Tsinghua University, Beijing(2004.1)

B. S. Degree, Precision Instrument and Measurement—Tsinghua University, Beijing(1999.7)

Research Experience

- ? Designed a small scaled thermostatic system whose precision is within $\pm 0.2^{\circ}\text{C}$ and using this device examined the temperature's influence upon micro-machined accelerometer response. (1999~2000)
- ? Developed a device to automatically measure the mass unbalance of a high-precision sphere and a device measuring the radical mass unbalance of the sphere with high spinning speed. (2000~2003)
- ? Responsible for integrated design of a certain high-precision gyroscope. (2004~2005)
