Call for Papers

## Organized by:

 CIREC Chinese National Committee

 International Conference on Electricity Distribution

 Chinese Society for Electrical Engineering

## Co-organized by:

 Institute of Electrical and Electronics Engineers  
Power Electronics Society (IEEE/PES)

 Institution of Engineering and Technology(IET)

 Electrical Engineers Association of the  
Montefiore Institute,(AIM)

## Introduction

**CICED**, China International Conference on Electricity Distribution is the international electricity distribution conference held in China and organized by the CIREC Chinese National Committee (CIREC CNC) and the Chinese Society for Electrical Engineering (CSEE), co-organized by International Conference on Electricity Distribution (CIREC).

The 4th China International Conference on Electricity Distribution (CICED 2010) will be held in Nanjing, Jiangsu Province of China in Sep.2010. The CICED had already held three times before (CICED 2000 in Shanghai, CICED 2006 in Beijing and CICED 2008 in Guangzhou). CICED 2010 will be supported by Jiangsu Electric Power Company (JEPC), a subsidiary of State Grid Corporation of China, and Nanjing Power Supply Company, the subsidiary of JEPC.

## CICED 2010

**The theme of CICED 2010** is: "Developing a Smarter Distribution Grid". CICED 2010 will explore how to promote the retrofitting within existing distribution network or constructing a new distribution network to meet the requirements for Smart Distribution (or say Smart Grid) to better meet the customers' high expectation and their demand as well as to improve the operation and maintenance of the utilities to reach the high quality service and reliable supply with high cost effective managements.
