

## About ICSREE

ICSREE is an annual Conference provides a yearly platform for delegates and members to present and discuss the latest research, and our delegates and members will have many opportunities engage in dialogues about Sustainable and Renewable Energy Engineering. It also provides new insights and bring together scholars, scientists, engineers and students from universities and industry all over the world under one roof.

In the past 3 years, ICSREE has been held successfully in Seoul, South Korea, Hiroshima, Japan, and Zamora, Spain. **2019 4th International Conference on Sustainable and Renewable Energy Engineering** will be held in **Beijing, China** on **May 11-13, 2019**. ICSREE features invited keynotes as well as peer-reviewed paper presentations. The conference is completely open (one needs to register first), you will not have to be an author or a discussant to attend. Submissions will be peer reviewed and evaluated based on originality, relevance to conference, contributions, and presentation.
