2014 IEEE 27th International Conference on Micro Electro Mechanical Systems (MEMS)

IEEE sponsors:

- IEEE Robotics and Automation Society

This Conference reflects from the rapid proliferation of the commitment and success of the Microsystems research community. In recent years, the IEEE MEMS Conference has attracted more than 700 participants, 800+ abstract submissions and has created the forum to present over 200 select papers in podium and poster/oral sessions. Its single-session format provides ample opportunity for interaction between attendees, presenters and exhibitors.
