第21届国际磁体技术会议

[会议基本信息]

会议名称 (中文):	第21届国际磁体技术会议
会议名称 (英文):	The 21st International Conference on Magnet Technology
所属学科:	物理学 材料科学 动力与电气工程
会议类型:	国际会议
会议论文集是否检索:	SCI EI
开始日期:	2009-10-18
结束日期:	2009-10-23
所在国家:	中华人民共和国
所在城市:	安徽省 合肥市
具体地点:	
主办单位:	中国科学院电工研究所、中国科学院等离子体物理研究所
协办单位:	
承办单位:	
议题:	

[组织结构]

会议主席:	Prof. Luguang Yan (严陆光 院士)
组织委员会主席:	Prof. Ji angang Li (李建刚 研究员)
程序委员会主席:	Prof. Li ye Xi ao (肖立业 研究员)
会议嘉宾:	

[重要日期]

摘要截稿日期:	2009-4-10
全文截稿日期:	2009-10-20

会议背景介绍:	<p>The International Conference on Magnet Technology (MT) is the most important conference for scientists and engineers to report and discuss the latest progress in every aspect of the science, technology and applications of magnets. MT-21, the 21st conference of this biennial series, will take place in Hefei, Anhui, China, during October 18 to 23, 2009, hosted by Institute of Electrical Engineering and Institute of Plasma Physics, Chinese Academy of Sciences.</p>
征文范围及要求:	<p>MT-21 will include all kinds of talks and presentations such as plenary and invited talks, oral talks and posters, which focus on the materials, science, technology and applications of magnets. The topics of MT-21 include the following:</p> <ol style="list-style-type: none">1. Magnets for Particle and Nuclear Physics2. Fusion Magnets3. High Field Magnets4. NMR and Medical & Biological Applications5. Power Applications6. Industrial Applications7. Materials and Conductors for Magnets8. Associated Technologies and Cryogenics9. Design and Analysis10. New Developments and Applications11. Magnet Test and Measurements12. Permanent Magnets <p>All people involved in magnet science and technology are strongly encouraged to submit their contributions and attend the conference. Abstract submission will be open from January 10, 2009 to March 20, 2009. Please go to http://mt21.ipp.ac.cn and follow the Call for Papers/Abstract Submission Information link.</p> <p>Early submission of abstracts is necessary for those needing visas. An early review process will be in place, and invitation letters will be sent as soon your abstract has been accepted.</p> <p>Papers accepted after peer review processing will be published on IEEE Transactions on Applied Superconductivity, a leading scientific journal of our area. Submission of abstracts and registration for the conference will commence in January 2009.</p> <p>An Industrial and Scientific Exhibition will display a wide range of products and instruments, to establish a good opportunity of exchanges among industries, researchers and engineers. The website (http://mt21.ipp.ac.cn) is the source of all conference related information and will be updated frequently. If you have any questions, please Email us at mt21@mail.iee.ac.cn or mt21_info@ipp.ac.cn. Please circulate this announcement among colleagues. We look forward to receiving your abstract(s) and hope to see you in Hefei!</p>
