ICIMP is the conference aimed at presenting current research about Information Management and Processing. The idea of the conference is for the scientists, scholars, engineers and students from the Universities all around the world and the industry to present ongoing research activities, and hence to foster research relations between the Universities and the industry. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

ICIMP 2019 features invited keynote speeches as well as peer-reviewed paper presentations. The conference is completely open (one needs to register first), you will not have to be an author or a discussant to attend. Submissions will be peer reviewed and evaluated based on originality, relevance to conference, contributions, and presentation.

PROCEEDINGS OF ICIMP 2019

All the accepted papers of ICIMP 2019 will be included into **Conference Proceedings**. And they will be indexed by **EI Compendex** and **Scopus**.
