2010 Systemics and Informatics World Network (SIWN 2010)

Chongqing, China, 12-14 July 2010

http://siwn.org.uk/2010/

Academic Sponsors:

Chongqing University of Posts and Telecommunications, China
Glasgow Caledonian University, UK
University of Essen-Duisburg, Germany

Technical Support:

IEEE SMCS Technical Committee on Self-Organized Distributed and Pervasive Systems (TC-SODPS)
The Foresight Academy of Technology

Following the success of its recent editions (CODS/ICABS2007 in Chengdu, SIWN2008 in Glasgow, SIWN2009 in Leipzig), the 2010 Systemics and Informatics World Network (SIWN 2010) will be in Chongqing, China.

The 2010 Systemics and Informatics World Network (SIWN 2010) aims to provide a distinctive premier international forum for active researchers, developers, professionals and academics from different domains and with diversified backgrounds to get together, to share state-of-the-art research achievements and practical experiences, to exchange in-depth findings and innovative ideas, and in particular to harness the greatest challenges and think seriously into the future.

SIWN 2010 comprises an exciting spectrum of highly stimulating thematic Conferences.

3rd International Conference on Bioinformatics and Systems Biology (BSB 2010)

1st International Conference on Business Technology and Enterprise Systems (BTES 2010)

4th International Conference on Complex Distributed Systems (CODS 2010)

3rd International Conference on Industrial Informatics and Systems Engineering (IISE 2010)

1st International Conference on Pervasive Networked Services and Internet of Things (PNSIOT 2010)

1st International Conference on Swarm Intelligence and Emergent Computing (SIEC 2010)

1st International Conference on Wireless Communications Frontiers (WCF 2010)

Important Dates

10 February 2010   Submission of manuscripts
20 March 2010   Notification of acceptance
10 May 2010   Camera-Ready Version (CRV) due
12-14 July 2010   Conferences

Submission

SIWN 2010 only accepts manuscripts of original contributions. A manuscript for submission to the Conference should neither have been published nor have been under consideration for publication elsewhere. All manuscripts submitted will be sent to 3-4 members of the International Program Committees of the Conferences for peer reviews, based on which the acceptance decision will be made. To avoid confusion, please do not submit the same paper to multiple Conferences of SIWN 2010.

To make a submission of manuscript, please follow the online submission of relevant Conference as follows.

[BSB 2010](#)   [BTES 2010](#)

[CODS 2010](#)   [IISE 2010](#)

[PNSIOT 2010](#)   [SIEC 2010](#)

[WCF 2010](#)

A manuscript for submission to the Conference should be prepared according to the [Instructions for Authors](#) of the Journal. Sample Word Doc and Latex file of Camera-Ready Versions (CRV) are available at http://fatech.org.uk/press/ita.htm There is a page limit of 8 formatted pages for the CRV of an accepted paper. Additional pages are subject to over-length charges.

SIWN 2010 welcomes proposals for Workshops, Invited Sessions and Tutorials on newly emerging areas. Please discuss Workshop/Tutorial proposals with the Chairs.

Proceedings and Journal Publication

All accepted papers of the Conferences will be included in the electronic Proceedings of SIWN 2010 and at the same time, will be published in the International Journal <<*Communications of SIWN*>> (ISSN 1757-4439). Both the electronic Proceedings and the respective printed Journal volumes will be available at the Conferences.

After the Conferences, authors of selected papers will be invited to submit thoroughly expanded papers for publication at special issues of following International Journals:
    IEEE Transactions on Systems, Man, and Cybernetics
    International Transactions on Systems Science and Applications
    Engineering Applications of Artificial Intelligence
    Advanced Engineering Informatics
