ETSI workshop on the Human side of technology: Human factors in ICT

2-3 JUNE 2014

[ADD THIS TO MY CALENDAR](#)

THERE IS NO CHARGE FOR THIS EVENT

SOPHIA ANTIPOLIS, FRANCE

[EXPAND](#)

ETSI TC HF is organizing a workshop on 2-3 June 2014 at ETSI Headquarters.

The growing complexity of telecommunication services, in convergence with media content and connected smart devices makes the human element in Information and Communication Technologies (ICT) increasingly important.
