## 2018 5th International Conference on Mechanical, Materials and Manufacturing

October 13-15 | Orlando, USA

On behalf of the Organizing Committees of 2018 5th International Conference on Mechanical, Materials and Manufacturing (ICMMM 2018), we cordially invite you to participate in this event to be held in Orlando, USA from October 13rd to 15th, 2018. ICMMM aims to provide a platform for scholars, engineers, and scientists to present robust research demonstrating the expanding frontiers in the fields of Mechanical, Materials and Manufacturing. The past four events were held in Chengdu, China (2014), Paris, France (2015), Savannah, USA (2016), Atlanta, USA (2017) successively.

Special gratitude would be extended to all keynotes speakers and TPC members for their technical advices, and to all the scholars and experts in this field for eager supports.

For the 5th conference in Orlando, the Organizing Committees expects and firmly believes that attendees from all over the world would be harvested academically and enjoy USA customs and practices.

## Orlando Introduction

Orlando is a city in the U.S. state of Florida and the county seat of Orange County. Located in Central Florida, it is the center of the Orlando metropolitan area. The City of Orlando is nicknamed "The City Beautiful", and its symbol is the fountain at Lake Eola. Orlando is also known as "The Theme Park Capital of the World" and in 2016 its tourist attractions and events drew more than 68 million visitors. As one of the world's most visited tourist destinations, Orlando's

famous attractions form the backbone of its tourism industry: Walt Disney World, located approximately 21 miles (34 km) southwest of Downtown Orlando in Bay Lake, opened by the Walt Disney Company in 1971; the Universal Orlando Resort, opened in 1999 as a major expansion of Universal Studios Florida. With the exception of Walt Disney World, most major attractions are located along International Drive. The city is also one of the busiest American cities for conferences and conventions; the Orange County Convention Center is the second-largest convention facility in the United States.
