## ICRE 2018 - workshop of ICSRS 2018

November 24 - 26, 2018 / Barcelona, Spain

**2018 3rd International Conference on Reliability Engineering (ICRE 2018)** will be held in **Barcelona, Spain** during **November 24 - 26, 2018**, as the workshop of [ICSRS 2018](#).

ICRE 2017 has been archived into [IOP Conference Series: Materials Science and Engineering](#) database and been indexed by EI COMPENDEX and SCOPUS already. [Read More](#)

The aim objective of ICRE 2018-workshop of ICSRS 2018 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Reliability Engineering. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. Submitted conference papers will be reviewed by technical committees of the Conference.

### [Publications Introduction](#)

ICRE 2018 will cover a wide range of research directions in basic and applied physics and Mathematics. All contributed papers will be published through the **IOP Journal of Physics: Conference Series (JPCS)**. IOP Conference Series is an open-access proceeding publication indexed by **ISI Web of Science (Conference Proceedings Citation Index), Scopus, EI Compendex, etc.**
