Welcome to NEXTCOMP 2019

Following on the success of the 1st NextComp in 2017, the University of Mauritius is organizing its 2nd International Conference on Next Generation Computing Applications, NextComp2019, which will be held on 19 - 21 September 2019 in the Republic of Mauritius. NextComp2019 is a major conference organized by the University of Mauritius and submissions are invited from academia, government, and industry to present novel research on the state of the art in advancement for computing technologies including case studies and implementation experiences. The conference main goal is to address new developments both in theory and in practice in the area of Communication and Computer Networks, Security and Forensics, Intelligent Systems, Data Analytics, Information Management, Bioinformatics and ICT Practices & Applications.

Important Dates

- Submission Deadline: 28 February 2019
- Acceptance Notification: End of April 2019
- Submission of Final Paper: 15 May 2019
- Early Bird Registration: 15 June 2019
- Normal Registration: 16 July 2019
- Late Registration: 15 August 2019

NextComp 2017

- NextComp 2017 was held on 19 - 21 July 2017 at the Meridien Ile Maurice Beach Resort in Mauritius.
- The Proceedings of NextComp 2017 is available in IEEE Xplore.
- [Click here for more info](#)

All submissions will be subject to double blind reviews and accepted papers will be submitted for inclusion in IEEE Xplore (application in progress). Please note that all accepted must be presented for publication.

The conference will be held in Mauritius, situated in the 'golden triangle' connecting Asia, Africa and Australia, which is the converging point of global civilizations – a place where one can feel the cosmopolitan pulse of the world. Mauritius has the most amazing white coral sand beaches and crystal clear lagoons, which contrast vividly with the backdrop of black volcanic mountains. It seems that Mother Nature has chosen our beaches to try out a palette of blue, white and sparkle!
