Aims and Scope

2018 11th International Symposium on Computational Intelligence and Design (ISCID 2018) will take place in **Hangzhou, China**, between **8-9 December, 2018**. This symposium provides an idea-exchange and discussion platform for the world's engineers and academia to share cutting-edge information, address the hottest issue in computational intelligence and design, explore new technologies, exchange and build upon ideas. We're certain you will find the city of Hangzhou and the surrounding area to be most pleasant and it will be our distinct pleasure to welcome each of you to the ISCID.

Publication

The proceedings of ISCID 2018 will be published by the [IEEE Computer Society's Conference Publishing Service \(CPS\)](#), and submitted to EI. All proceedings of ISCID 2008-2017 have been indexed by EI, and included in the digital libraries (CSDL, IEEE Xplore, IEEE IEL).
