Third International Symposium on Parallel Architectures, Algorithms and Programming (PAAP'10)

December 18-20, 2010, Dalian, Liaoning, P. R. China

Early Author Registration Deadline is September 21, 2010

The third International Symposium on Parallel Architectures, Algorithms and Programming (PAAP 2010) is to be held in Dalian, Liaoning, China between December 18 and 20, 2010. The PAAP 2010 aims at addressing advances in research on parallel computing, covering topics from theoretic studies to technology issues and applications. Please keep checking this web-space for more information and regular updates about PAAP 2010.

All accepted conference papers will be published by **Conference Publishing Services (CPS)**, among which those NOT violating the CPS "no show" policy will be included in the IEEE Xplore. The proceedings will be submitted for possible indexing such as EI and ISTP. More than 1/2 selected excellent conference papers.
