DCABES 2010

IEEE 9th International Symposium on Distributed Computing and Applications To Business, Engineering & Science

Important Dates:

Submission due:
Before 15th March 2010
Notification of Acceptance:
Before 1th April 2010
Camera-Ready due:
Before 30th April 2010
Early Registration Time:
Before 30th April 2010
Last Registration time:
Before 28th May 2010
Non Author Registration Time:
Before 12th Agust 2010

WUHAN CITY

The 9th DCABES (DCABES 2010) will be held on 10-12 Augest 2010 Hong Kong, China.

The DCABES is a community working in the area of Distributed Computing and its Applications in Business, Engineering, and Sciences, and is responsible for organising meetings and symposia related to the field. (See previous meetings from the web site DCABES.)

The Ninth International Symposium on Distributed Computing and Applications to Business, Engineering and Science (**DCABES 2010**) will be held on 10-12 Agust 2010 in Hong Kong. As in previous conferences, DCABES intends to bring together researchers and developers in the academic field and industry from around the world to share their research experience and to explore research collaboration in the areas of distributed parallel processing and applications.

DCABES international conference has lodged all conference proceedings with ISTP and selected papers appeared in special issues of international journals (Indexed by SCI) .From DCABES 2010, Proceedings of the DCABES will be published by the IEEE CPS, and be sent to the EI and ISTP for index by the CPS of IEEE.The selected papers have been published in special issues of international journals.

The DCABES 2010 Conference is to be Organized by School of Computer Science and Technology, Wuhan University of Technology and Hong Kong Lingnan University .

DCABES 2010 Technical Session: Forensic Image Processing

DCABES 2010 Technical Session: Media Security and Processing

DCABES 2010 Technical Session: Image Processing - Methodologies and Applications

DCABES 2010 Technical Session: Distributed and Scalable Application, Metrics and Services

DCABES 2010 Technical Session: Computational Modelling of Complex Systems and Processes - Algorithms and Methodologies
