Ranga Narayanan – Invitational Fellowship

Ranga Narayanan has received an Invitational Fellowship for Senior Scientists from The Japan Society for the Promotion of Science (JSPS) for his outstanding research in interfacial fluid mechanics. This fellowship will involve collaborative research at the Japanese Space Agency and invited lectures at several Japanese universities.

Spyros Svoronos – Teacher of the Year Award

Spyros Svoronos has received the UF Engineering College Teacher of the Year award.

Fan Ren – New APS Fellow

Fan Ren has been elected as APS Fellow. The citation for his nomination is as follows: "For contributions to the development of device processing technologies for compound semiconductor devices based on GaAs, InP, ZnO and GaN"

Richard Dickinson – BMES Outstanding Paper Award

Prof. Richard Dickinson has received an outstanding paper award from the Biomedical Engineering Society in a special issue of the new BMES journal "Cellular and Molecular Bioengineering". His paper entitled "Multi-scale simulation of particle propulsion by actin-based motility" was highlighted at the 2008 BMES Annual Meeting in October 2008.
