

The Preservation of Adobe Buildings

Author(s): Dan Babor • Diana Plian

Tomme: LVI (LX) | **Fascicle:** 1 | 2010

Pages: 17-26

Abstract text:

Whether built in the 17th or in the 20th centuries, adobe buildings share common problems of maintenance and deterioration. These types of buildings represent today in Romania a traditional house for country people. It also makes recommendations for preserving adobe buildings. By its composition, adobe construction is inclined to deteriorate; however, the buildings can be made durable and renewable when properly maintained.

Key Words:

clay; adobe; dried brick.
