INTERNATIONAL CONFERENCE ON ADVANCES IN STRUCTURAL AND GEOTECHNICAL ENGINEERING ICASGE17

ISSMGE Events | Titanic Palace Resort (5 stars all inclusive), Egypt , Hurghada | 27-03-2017 - 30-03-2017 | English

Description

The ICASGE'17 provides a forum for exchange of ideas and discussions on topics related to Advances and innovations in Geotechnical Engineering in addition to structural and construction. The conference is an outstanding opportunity for senior and young engineers, academics, researchers and scientists from Egypt, the region and overseas to share and to exchange their knowledge and experiences. The technical program of ICASGE'17 includes Keynote and special lectures, panel discussions, and parallel sessions for oral presentations. The organizing Committee of ICASGE'17 welcomes also session proposals for interesting and innovative topics. The submitted papers shall be peer reviewed. Accepted papers in the conference shall be included in the CD-Proceedings of the conference. An abstract volume shall be distributed on the participants. Selected quality papers shall be published in international Journal(s). This conference is the second after the first one in 2015. The first conference was great success. It was attended by about 250 participants from Egypt, India, Germany, Japan, Nigeria and UK. The first conference had 6 keynote lectures from national and international speakers. We had more than 100 technical papers that were peer reviewed with good to excellent quality.
