## Invitation Letter

It is our pleasure and privilege to invite you to participate in the 14th World Conference of Associated research Centers for the Urban Underground Space (ACUUS 2014), to be held from September 24-26, 2014 in Seoul, Korea.

The World Conference of ACUUS has been held every two to three years in different countries all over the world. As one of the most highly acclaimed meetings in the field of urban underground space, the ACUUS 2014 Seoul is expected to gather a large number of participants from around the world.

At the 14th Seoul World Conference, under the theme of "Underground Space: Planning, Administration and Design Challenges", a wide range of scientific programs are being organized focusing on the legal and management challenges for underground space use and their accompanying planning and design issues. The Organizing Committee is doing its utmost to produce invaluable and intriguing programs focusing on the latest developments and trends, as well as the future outlook for urban underground space in the world.

We truly believe that the ACUUS 2014 World Conference will be a highly rewarding international festival for everyone and will bring enhancement of the academic level and industrial development, which will contribute to improve the quality of life in urban areas.

Therefore, I encourage you to take this chance to explore the many faces of the beautiful city of Seoul and experience the exciting Korean culture.

All of the members of the Organizing Committee look forward to meeting you at the ACUUS 2014 World Conference in Seoul, Korea.

Yours truly,
