2014 Annual Spring Meeting

Organized by
The Japan Society of Naval Architects and Ocean Engineers
(JASNAOE)

Join us colleagues from industry, academia and government at the Annual Spring Meeting of JASNAOE 2014 in Sendai, Miyagi prefecture, May 26-27, 2014. The meeting and conference provide good opportunities for researchers, engineers, managers, technicians and students from the scientific and industrial communities of Naval architects and Ocean engineers. The conference consists of 3 organized sessions, 17 general sessions, 5 younger researchers' sessions. In the younger researchers' sessions young presenters will compete for the Excellent Lecture Award. Besides, we are preparing special events and an exhibition of enterprises. As for the special events in May 26th afternoon, JASNAOE Paper Awardees will give us memorial lectures and 7 presenters from across the world will give lectures in the International session and the director of Miyagi Regional Bureau of Reconstruction Agency will make a speech at the special lecture.

We are looking forward to seeing you in Sendai, Miyagi.
