

International Yellow River Forum 黄河国际论坛

黄河国际论坛
2009 IYRF

中文 | ENGLISH

“黄河国际论坛”是经水利部批准、水利部黄河水利委员会主办的国际水利会议，每两年举办一次，首创于2003年，是以黄河为平台、增进国际水利特别是河流治理与管理学术交流与合作，旨在促进不同国家和地区间的沟通，交流河流治理经验，共同研究解决黄河问题及世界流域管理所面临的共性问题，实现人水和谐。

The International Yellow River Forum (IYRF) is the international conference on water resources, which is approved by the Ministry of Water Resources (MWR), PRC and sponsored by the Yellow River Conservancy Commission, MWR. The IYRF had been held regularly in every two years since the first IYRF was held in 2003. By Taking the Yellow River as the platform, the IYRF will promote academic exchanges and cooperation on international water resources especially in river harnessing and management, aimed at promoting communication between different countries and regions, exchanging experiences of river regulation, joint studying problems of Yellow River and common issues on river management of world-wide to realize the harmonious coexistence between the man and the water.
