中文摘要:

珠江流域水生态环境问题日益严重,治理刻不容缓。立法上要修订和完善现有的水生态防治法律法规、制定专门的《珠江流域管理条例》,设立权威的流域管理机构,明确其法律地位和管理职权;执法上要严格落实管理珠江流域的各项政策和措施;司法上要做到"违法必究",充分体现法律的权威。

英文摘要:

Water ecological environmental concerns have become increasingly serious in the Pearl River basin ;therefore, certain le-gal measures should be taken immediately .Taking legislation into consideration , the existing water ecological prevention laws and regulations have to be revised and improved , and "Regulations on Pearl River Basin Administration"is necessarily to be estab-lished.Besides, the administrative institutions of river basin which have specific legal status and administration authorities are re -quired in the legislation.The management measures and policies should be put into effect during the law enforcement .Definitely, the law-breakers need to be punished in order to strengthen the legal authority .
