## What is NAPTA?

NAPTA (National Alliance of Public Transportation Advocates) is a national organization representing grassroots transit coalitions, grassroots transit rider organizations and advocates that support increasing investment in public transportation.

## Objectives

- To create a diverse, committed, and visible national alliance of local public transit coalitions.
- To generate a heightened level of advocacy through constituent visits, calls, e-mails, and letters at necessary and appropriate times in the congressional decision-making process.
- To link local transit coalitions with new advocacy tools and resources.
