

# Mr. Tim Tozer MA (Cantab), CEng, FIET

**Lecturer (part time)**

**Email:** [tim.tozer@york.ac.uk](mailto:tim.tozer@york.ac.uk)

**Tel:** +44 (0)1904 32 2347

**Mobile:** +44 (0)7850 295927

**Fax:** +44 (0)1904 32 3224

**Research Area:** [Communication Technologies Group](#)

**Areas of Expertise:** Military Communications, Satellite Communications, Wireless Systems, High Altitude Platform Systems

## Biography

Tim is now a semi-retired member of the [Communications and Signal Processing Group](#), having previously been Group Leader. He still teaches communications topics within the Department, and also maintains a number of research interests and activities including work with industry and government agencies. Having a background in satellite communications, Tim was heavily involved in research activity relating to High Altitude Platforms (HAPs), and he was Chair of [COST297](#). He also teaches externally on satellite communications, including the [IET Summer School on Satcoms](#).

## Research Interests:

High Altitude Platform (HAP) communications; Satellite communications; wireless communication systems.

## Teaching Interests:

More or less anything to do with communications, but especially satellite communications.

## Other Interests:

For something completely different, Tim enjoys playing the piano, and specialises in accompanying singers in classical Lieder and Art Songs.
