Welcome

Welcome to the 2nd International Symposium on Aircraft Airworthiness (ISAA 2011), which will be held on October 26-28, 2011 in Beijing, China.

Since the success of the 1st International Symposium on Aircraft Airworthiness held in Beijing in 2009, the 2nd International Symposium on Aircraft Airworthiness will again, with the same tenet, bring together researchers, engineers and practitioners to present the latest accomplishments, innovations and potential future directions in aircraft airworthiness, in order to further promote the exchanges and collaborations between different disciplines and nations.

We look forward to meeting you in Beijing, China.
