

Journal of Chemical Health and Safety

Official Publication of the **American Chemical Society Division of Chemical Health and Safety**

The Journal of Chemical Health and Safety focuses on news, information, and ideas relating to issues and advances in **chemical health and safety**. *The Journal of Chemical Health and Safety* covers up-to-the minute, in-depth views of safety issues ranging from OSHA and EPA regulations to the safe handling of **hazardous waste**, from the latest innovations in effective **chemical hygiene** practices to the courts' most recent rulings on safety-related lawsuits.

The Journal of Chemical Health and Safety presents real-world information that health, safety and environmental professionals and others responsible for the safety of their workplaces can put to use right away, identifying potential and developing safety concerns before they do real harm.
