自2009年起，CUMULUS与同济大学已经携手举办了“设计激励人文”国际设计院校设计竞赛。这个竞赛致力于对“人性”和“人文关怀”的思考，通过发掘和表彰优秀的设计作品，激发青年设计师的社会责任心和对未来世界的积极探索。

2012年度的“设计激励人文”LED照明设计竞赛，分为两个主题：“新照明，新希望”；“新照明，新生命”，一方面延续了09年竞赛中设计防灾、救灾的思考。同时，还希望探讨如何通过LED照明设计提升生活品质。本届大赛设有5个奖项，共21名获奖选手或团队，最高奖金额为六万元。大赛自2012年6月中旬开始，至9月底结束，收到来自29个国家、150所院校，超过450多位选手提交的作品。经过评审委员会两轮严格筛选，共有50幅作品入围，再从中评选出前21名获胜作品。评选的依据是：作品切合竞赛主题；“新照明，新生活”，“新照明，新希望”；作品代表了对未来生活的愿景以及提升日常生活质量；作品具备实用、愉悦的用户适应性；作品在未来几年内具技术可行性。

受邀担任评审工作16位评委，包括来自湖南大学，广州美院，同济大学，芬兰Alto大学以及德国，法国等国内外知名设计院校的教授，还有来自LED照明企业和设计创新咨询机构如IDEO等知名公司的代表。

本届竞赛得到中国快速发展的LED照明行业的鼎力支持。他们是：深圳市洲明科技股份有限公司、广东省半导体照明产业联合创新中心，广东国晟投资有限公司。

Cumulus and Tongji university has conferred two "Design Inspires Humanism" awards since 2009. It promotes the thinking of humanity and humanism, through recommending and awarding the best designs, in order to inspire young designers' social responsibility and their curiosity to discover the future.

This year the competition focus on LED semiconductor lighting design, divided into two themes, " New light, New hope" and " New light, New life" . The first theme continues the thoughts of disaster prevention and relief designed in 2009, while the newly added theme is supposed to discuss how to improve the quality of life by LED lighting design. The competition consists 5 awards for totally 21 participants or teams, and the prize for the platium award is up to RMB 60,000. The competition starting from mid of June till end of September, has attracted over 450 participants from 150 international design schools in 29 countries. Through two stages of strict evaluation, our juries recommend 50 entries and also selected the final top 21 products. Our evaluation is based four criteria: Conformity with theme ; Vision for future life and quality of living ; Practical and joyful user experience ; Technical feasibility for near future commercialization

The jury panel consists of 16 experts various from international design schools, companies and design studios, such as Hunan university, Guangzhou academy of fine arts, Finland Aalto university and IDEO.

Meantime, The competition get strong support by the Chinese LED lighting industry. The sponsors include Shenzhen Unilumin Technologies, Guangdong LED lighting industry innovation centre, Guangdong Guosheng investment company.
