Determination of germination capability of coated seeds

[\(get PDF\)](#)

Domoradzki M.

Department of Technology and Apparati for Chemical and Food Industry, Technical -
Agricultural University, Seminaryjna 3, 85-326 Bydgoszcz, Poland
vol. 13 (1999), nr. 4, pp. 431-433

abstract In the present work problems associated with germination of coated seeds in
the absorbent paper are described. Determination methods for the estimations of
coated seed germination capability which allow to obtain very accurate results were
proposed and tested.
