摘要:

烟叶标准化生产是发展现代烟草农业、提高烟农收入的关键举措。笔者根据陕西烟叶主产区(陇县、合阳县、澄城县)的实地调查,分析当前陕西烟叶标准化生产经营面临的问题,提出以烟草公司为龙头、以农户自主种植为基础、以烟农专业合作社为纽带的烟草标准化生产经营模式建设的思路及其对策建议。

Study on Model of Tobacco's Standardized Production and Operation in Shaanxi Province

Abstract:

The tobacco standardizing production is the key measures of modern tobacco agriculture development and increasing farmers' income. The problems of current tobacco standardizing production and operation in Shaanxi province was analyzed based on the results of field investigation in major tobacco producing areas (Long county, Heyang county and Chengcheng county in Shaanxi province). The tobacco standardizing production mode leaded by tobacco companies, based on farmer independent production, and connected by farmer specialized cooperative was proposed.

Keywords: tobacco standardizing producing specialized cooperation of tobacco farmer Shaanxi
