

## THE NEXT CWSS-SCM ANNUAL MEETING

will be held from

**2014 November 17 to 20 in Montreal, Quebec**

## VISION STATEMENT

The CWSS-SCM is widely recognized in Canada and beyond for its national leadership in bringing together research and information on science and management related to plants potentially impacting the environment, economy and society.

## The GOALS of CWSS-SCM are to:

- Be recognized locally, nationally and internationally on weed-related science
- Serve as a facilitator and clearing house on research and other weed-related information
- Expand its network of members and partners
- Ensure good governance
