Department of Landscape Architecture and Regional Planning ~ Senior Capstone Lawrence Greenway Proposal ~ Lawrence, Massachusetts

Landscape planning crosses scales from regional to site specific, taking a real world problem to creative sustainable solutions. An introduction to design research methods, inventory and assessment models and techniques for policy planning, regional scale design proposals, and site selection for particular development types. Implementation of a greenway solution

Instructors:

Robert L. Ryan, Professor, Department of Landscape Architecture and Regional Planning

Ethan Carr, Associate Professor, Department of Landscape Architecture and Regional Planning

Teaching Assistant Samantha Anderson

Abstract

Department of Landscape Architecture and Regional Planning ~ Senior Capstone Lawrence Greenway Proposal ~ Lawrence, Massachusetts

Landscape planning crosses scales from regional to site specific, taking a real world problem to creative sustainable solutions. An introduction to design research methods, inventory and assessment models and techniques for policy planning, regional scale design proposals, and site selection for particular development types. Implementation of a greenway solution

Instructors:

Robert L. Ryan, Professor, Department of Landscape Architecture and Regional Planning

Ethan Carr, Associate Professor, Department of Landscape Architecture and Regional Planning

Teaching Assistant Samantha Anderson
