AFIA Board of Directors Conduct Spring Meeting, Capitol Hill Visits

Members of the American Feed Industry Association's Board of Directors met May 13-14 to discuss issues of mutual concern and address those concerns with their legislators during the annual spring meeting in Washington, D.C. The board also recognized Jeff Cannon, Diamond V, for his leadership as chairman during the 2013-14 year, welcomed his successor, Dr. Alan Wessler, MFA Incorporated, and onboarded 16 new directors and elected six new members to the organization's Executive Committee.

About AFIA:

AFIA is the world's largest organization devoted exclusively to representing the business, legislative and regulatory interests of the U.S. animal feed industry and its suppliers. AFIA also is the recognized leader on international industry developments. Members include more than 550 domestic and international companies and state, regional and national associations. Member-companies are livestock feed and pet food manufacturers, integrators, pharmaceutical companies, ingredient suppliers, equipment manufacturers and companies which supply other products, services and supplies to feed manufacturers.
